Welcome!

The PEBERG Restaurant forms a building unit with the DAS KEHRS hotel. Not only hotel guests are to be spoiled here. The house is also open to external guests, for example to a generous breakfast buffet. With delicious magic and sweet experiments from the kitchen, the restaurant has already made a name for itself among gourmets. In the evening the classics of bar culture are made and served in their original versions, but also new interpretations. An exquisite wine list also entices guests to chat with far-reaching view on the roof terrace. The restaurant seats 80 guests. The same number of seats can be found on the terrace – in the green and on the roof terrace with bar.

Information on the "Tourism for All" labeling system

All establishments and locations certified with the label "Tourism for All" meet the following quality criteria:

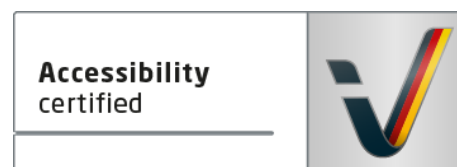

- Data and information on accessibility are collected and checked on site by **external, specially trained evaluators**. The method is not based on self-assessments.
- Data on accessibility is available **in detail** and can be viewed by the guests.
- At least one staff member has successfully passed a **training** on "**Accessibility as a comfort and quality feature**".

The labeling – explanation of the logos and pictograms

The label "**Information about Accessibility**" indicates that detailed and verified information on accessibility is available for all groups of people.

The label "**Accessibility certified**" is based on "Information about Accessibility". It means that the quality criteria defined for specific groups of people are met partially or completely.

The label "**Accessibility certified**" is available in two requirement levels:

"Accessibility certified: partially accessible".

The quality criteria are partially fulfilled for the pictured group of people, i.e. the establishment/location is partially accessible for wheelchair users. The "i" in the pictogram indicates that it is recommended to read again carefully whether the offer meets all (your oder the guest's) individual requirements.

"Accessibility certified: accessible".

The quality criteria are fulfilled for the pictured group of people, i.e. the establishment/location is accessible for wheelchair users.

There are defined quality criteria for **seven groups of people** and a **specific pictogram** for each group.
